
Anjali Rajak

FRONTEND DEVELOPER

Sector 46, Jalvihar
Gurugram, Haryana, India
+91 9310199706
rajukanjali363@gmail.com

Professional Summary

Results-driven Frontend Developer with over 2 years of experience in designing, developing, and optimizing responsive web applications. Proficient in HTML, CSS, JavaScript, React.js, and Next.js, with expertise in building scalable, user-friendly interfaces. Strong knowledge of UI/UX design principles, performance optimization, and cross-browser compatibility.

Skilled in responsive design, state management (Redux), API integration, and modern frontend frameworks. Adept at working in agile environments, collaborating with cross-functional teams, and delivering high-quality code. Passionate about implementing best practices, ensuring accessibility, and enhancing user engagement.

EXPERIENCE

MintuRaj Construction | Frontend Developer | Dec, 2023 - Present |

- Developed and maintained **responsive web applications** using **React.js, Next.js, HTML, CSS, and JavaScript**.
- Optimized website performance, improving **loading speed and SEO rankings** through best practices.
- Collaborated with backend developers to integrate **REST APIs** and enhance user interactions.
- Ensured **cross-browser compatibility and accessibility (WCAG standards)** for a seamless user experience.
- Implemented **state management (Redux)** to improve application efficiency and scalability.

INTERNSHIP

Null Class (EdTech) | *May 2023*

- Designed and developed interactive UI components using React.js, Tailwind CSS, and Bootstrap.
- Built a Stack Overflow clone during the internship, implementing key functionalities like Q&A, voting, and authentication.
- Enhanced website responsiveness for mobile-first design, ensuring a seamless experience across devices.
- Worked in an Agile environment, contributing to sprint planning and regular code reviews.

Muskurahat Foundation| Marketing INTERN |

- Assisted in developing and executing marketing campaigns to enhance brand awareness.
- Conducted market research to identify industry trends and target audience preferences.
- Managed social media accounts, creating engaging content and analyzing performance metrics.
- Collaborated with cross-functional teams to implement digital marketing strategies.
- Assisted in email marketing campaigns, lead generation, and customer engagement initiatives.
- Supported the creation of promotional materials, blog content, and SEO-optimized web content.

Freelance UI/UX Designer

- Designed **modern and user-friendly interfaces** for web and mobile applications using **Figma and Adobe XD**.
- Conducted **user research, wireframing, and prototyping** to improve **usability and customer experience**.
- Collaborated with clients to create **custom UI designs**, ensuring brand consistency and optimal functionality.

- Developed interactive prototypes for **frontend development handoff**, improving project efficiency.

Frontend Developer & Content Creator at Busibud (trial)

- Created **visually appealing web pages** and optimized UI for **better user engagement**.
- Developed and managed digital content, improving **brand visibility and customer interaction**.
- Used **Figma and Adobe XD** for UI/UX prototyping and design improvements.

EDUCATION

BSc (Hons) in Computer Science

[Ram Lal Anand Delhi University, Delhi] | [2024] | [CGPA 8.9]

Senior Secondary Education

[Jhankar International Senior Secondary Education] | [2021] | [Percentage -93%]

Secondary Education

[Atul Memorial High school, Gurugram] | [2019] | [Percentage -93.4%]

Skill Proficiency

- **Frontend Development:**
 - ☒ React.js, Next.js, JavaScript (ES6+), TypeScript, Redux, HTML5, CSS3, Tailwind CSS, Bootstrap, SASS
- **UI/UX Design & Prototyping:**
 - ☒ Figma, Adobe XD, **Canva**, Wireframing, Prototyping, User Research, Interaction Design, Accessibility (WCAG)
- **Web & API Development:**
 - ☒ REST APIs, FastAPI, Webpack, Responsive & Mobile-First Design, Performance Optimization, SEO Best Practices
- **Automation & Tools:**
 - ☒ **WhatsApp Automation Tools**, Chatbot Development, AI-Powered Interfaces
- **Version Control & Deployment:**

-
-  Git, GitHub, CI/CD, Agile/Scrum, Code Reviews, Web Hosting & Deployment

Personal Skills

-  **Problem-Solving:** Strong analytical skills to debug and optimize web applications efficiently.
-  **Creativity & Design Thinking:** Ability to create visually appealing and user-friendly interfaces.
-  **Attention to Detail:** Ensuring pixel-perfect UI and maintaining code quality.
-  **Time Management:** Ability to handle multiple projects and meet deadlines effectively.
-  **Communication & Collaboration:** Strong verbal and written communication skills for team coordination.
-  **Adaptability & Continuous Learning:** Quick to adapt to new technologies and industry trends.
-  **Critical Thinking:** Ability to analyze user needs and translate them into intuitive web solutions.
-  **Self-Motivation & Initiative:** Proactive in problem-solving and taking ownership of tasks.

AWARDS

The *Meritorious Student Department Topper* award recognizes exceptional academic achievement and dedication within the department. Awarded to the student who has demonstrated outstanding performance, consistent excellence, and a strong commitment to their studies, this honor reflects the student's hard work and passion for their field.

The *Doodle Winner* award celebrates creativity and artistic expression, acknowledging the student who has crafted the most innovative and visually engaging doodle. This award highlights the fusion of imagination with design, rewarding the student's ability to convey ideas through art.
